GRAND AUCTION SALE OF LOTS

### AGENCY. MAY 29, 1890

Reduced Rates will be given on the E. T., V. & G. Railroad and on Brown at her suburban residence. other roads entering Morristown. Tickets Good for Ten Days. This property consists of Five Hundred Lots, known as the Dairy

Spring Park Addition to Morristown. This is the finest unoccupied property adjacent to any large city of East Tennessee. It is with in a quarter of a mile of the railroad depot and postoffice, and is on a beautiful elevation over D. J.

Morristown will in a short time, enjoy exceptional railroad facilities. It is on the main line of the E.T., V. & G. R'y, and is the terminus of the Asheville (N. C.) Railroad, connecting with the great Richmond and Danville system. The Chicago, Cumberland Gap and Charleston railroad extension showed there was bristles on his back the people will be used to dusiness nouses. The tension of his time as register of Unicolouristic and the coincidence of the street railroad extension showed there was bristles on his back the people will be used to dusiness nouses. The tension of his time as register of Unicolouristic and the coincidence of the street railroad will be used to dusiness nouses. The tension of his time as register of Unicolouristic and the coincidence of the street railroad will be used to dusiness nouses. The beautiful and the coincidence of the street railroad will be used to dusiness nouses. The tension of his time as register of Unicolouristic and the coincidence of the street railroad extension showed there was bristles on his back the people will be used to dusiness nouses. The coincidence of the street railroad extension showed there was block erected in its stead. The street bristles on his back the people will be used to dusiness nouses.

The Morristown & Cumberland Gap R. R., on which work will soon begin, will give Morristown direct connection with the great trunk

With outany booming at all, or any erganized effort on the part of her citizens to bring Mor ristown into notice, It has by reason of its Matural Advantages and Many Attractions, been steadily growing, the population having increased from 1,300 in 1880 to 4,000 in 1890. It is the county seat of Hamblen county, and is surrounded by a large section of the

Most Productive Agricultural Country

In East Tennessee, of which she is the trading center. Her public buildings and business house es are mostly substantial modern buildings. She has two Flouring Mills, capacity 350 barrels per day; Brick Works, Marble Works and Stove Foundry. A manufacturing company with \$250,000 capital has purchased 25,000 acres around Morristown, and are putting up an immense Wood Working Establishment and Marble Works. It has a prosperous Building and Loan Association and Agricultural Implement Manufactory, two Banks, two fine Hotels, Courthouse, Opera house, Wood Working establishments, and various smaller industries. The town is ried to completion. lighted by Electricity. A contract has been let and Machinery ordered for Water Werks, and during she present year a Street Railroad will be built.

The building of the Morristown and Cumberland Gap Ra ilroad will give Morristown an impetus in the building and improvement line, and will introduce manufacturing industries, and visiting relatives and friends in the cannot fall to give us a boom that will come to tray. Said road being under the management of a large foreign corporation who own large tracts of mineral lands on either side of Morrisof a large foreign corporation who own large tracts of mineral lands on either side of Morristown, and we are reliably informed that they will locate manufacturing plants here.

The superiority of the locat on of M erristown as a manufacturing center has long been conceeded, but until recently no effort has been made to establish manufactories here. We are surveigled, but until recently no effort has been made to establish manufactories here. We are surveigled to make Jehnson City we desire to return our heartfelt. town, and we are reliably informed that they will locate manufacturing plants here.

ounded by large and rich Mines of Iron, Coal, Lead and Zinc, Extensive Marble Cuarries, and vast tracts of Timber lands. The fact that her citizens are thoroughly alive to the best interests of Morristown was proven

when, a few days ago, she votad a subscription of \$50,000 to the Morristown and Cumberland Gap Rai, road, without a dissenting vote As Morristown has never boomed prices of real estate are much lower than other towns with

half the merit, thereby guaranteeing to the person that invests now large returns for his invest-THE TERMS OF THE SALE are so liberal that the poor man, as well as the capitalist, will

reap large profits before the deferred payments become of TERMS: One-third Cash, balance in One and Two Years. The investor or home socker cannot afford to miss this sale. All are welcome
